SEPTEMBER 1ST - 10TH, 2023

Welcome, Festive One!

Elgin joined the worldwide Fringe movement in 2014 by bringing together artists and audiences of all kinds in an eclectic mix of venues in our historic downtown center. Over the past decade, we have hosted dozens of artists, hundreds of shows and thousands of guests for live performances of original theatre, dance, music, comedy, magic and the unexplained! Our tenth straight year welcomes perennial fan favorites, new & emerging artists, and original material that offers something for everyone.

Fringe Central

Located at Side Street Studio Arts, Fringe Central is your place to buy EFF Buttons, purchase tickets, ask questions, view and purchase EFF visual art, buy EFF merchandise, review shows, and more! Come and see us at 15 Ziegler Court during the hours listed below. Free parking for Fringe Central is available nearby.

All Fringe attendees MUST VISIT FRINGE CENTRAL to pick up tickets and buttons for show entry! Please note that you will not be able to enter any shows you may have purchased tickets to unless you pick up the tickets from Fringe Central. You may purchase tickets at Fringe Central as late as 15 minutes before any given show begins.

We also have a festival pass for all shows for \$95 (includes a button, see below). 100% of all the ticket revenue goes directly to the artists.

But First ... The Button!

Elgin Fringe Festival Buttons are on sale at Fringe Central for \$3. Because 100% of ticket revenues go directly to the artists, proceeds from button sales are needed to help cover the costs of producing the festival.
